

Vignan institute of technology and science, Hyderabad

Presents,

Vignite'10

A national level tech fest on September 27th, 28th

Department of mechanical engineering

www.vignite.org/mech

"Vignite'10" is an inter college national level technical fest organized by VIGNAN, desh mukhi Hyderabad.

A Platform for the budding scientists and engineers to showcase their talents. VIGNITE'10 team plans to inculcate the spirit of the application of science and technology for the betterment of society. All that needed is the will and the courage to prove your mettle and it gives students a unique opportunity to prove their worth on a national platform.

VIGNITE'10 has something in its store for everyone and promises to be a technical extravaganza.....
